

BLOOMBERG SMART CITIES IDEAS CHALLENGE

COVERAGE

Qwinzi organized the revolutionary Bloomberg Smart Cities Ideas Challenge Conference in the year 2015.

This multi-city event took place at New Delhi, Mumbai and Hyderabad.

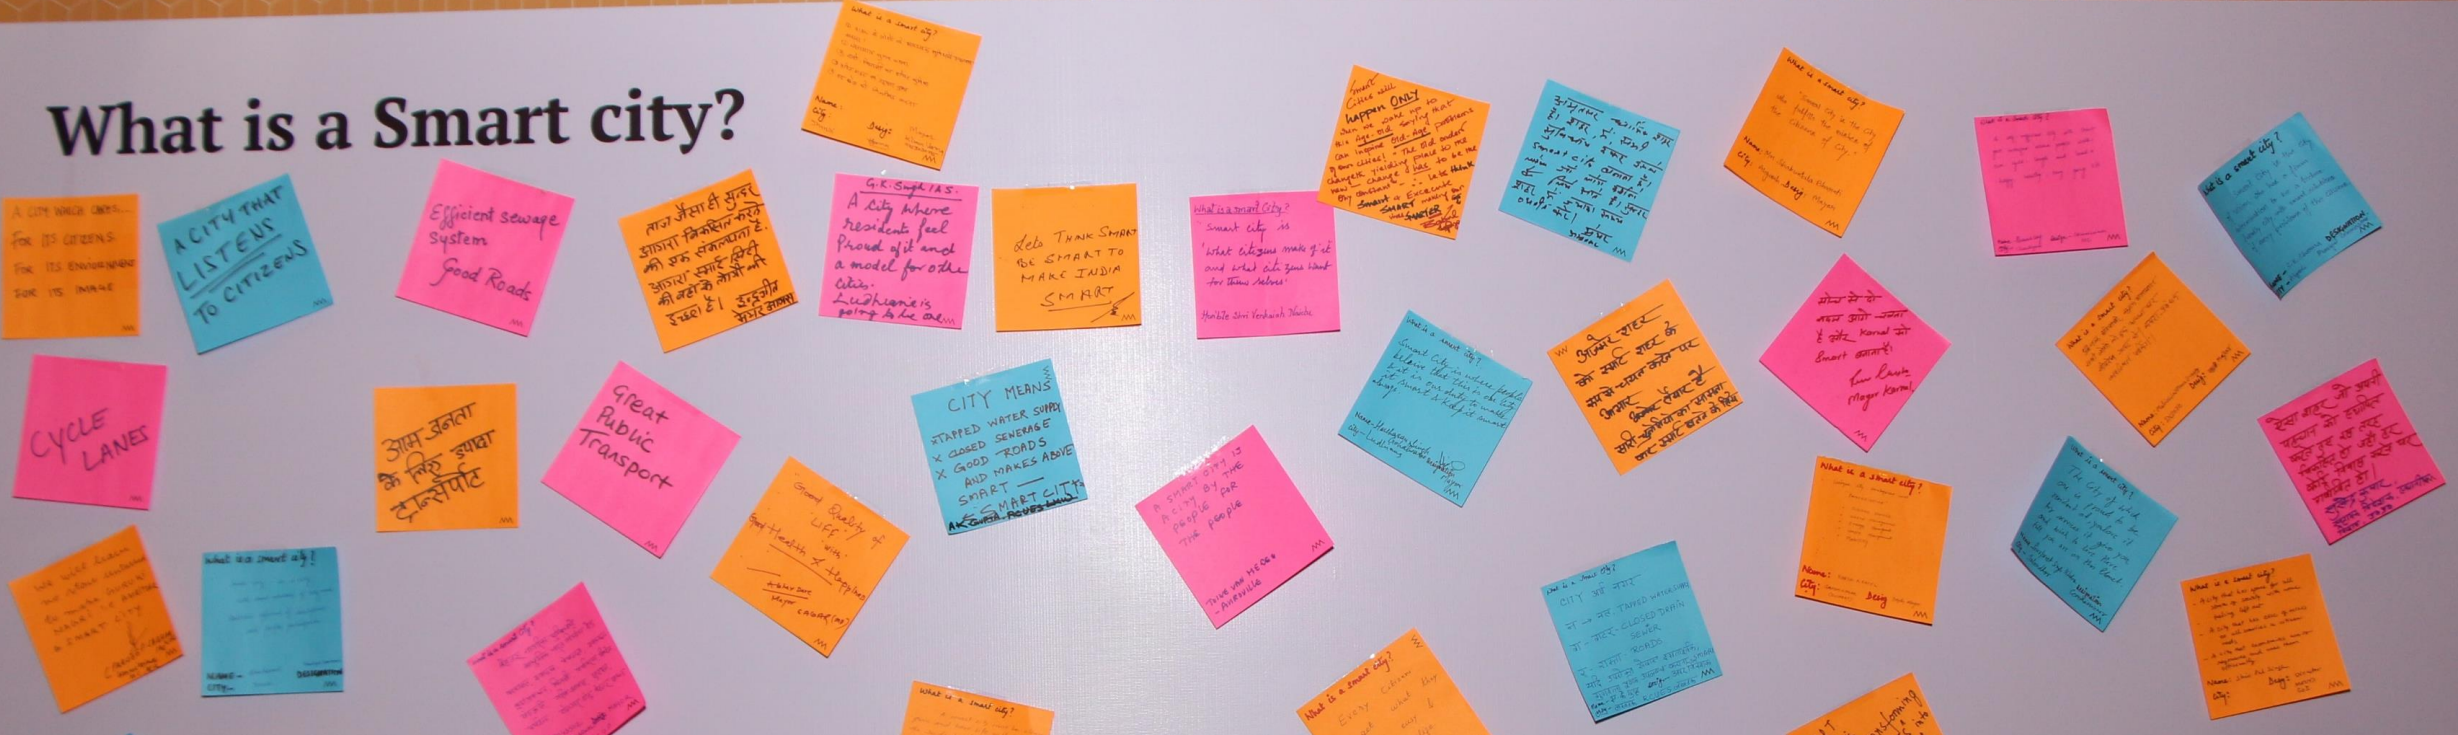

We hosted an approx. of 180 -250 prominent guests from the world over.

India Smart Cities Challenge

EVENT SPECIFICATIONS

What is a Smart city?

The prestigious event was organized on the behalf of Bloomberg Philanthropies, in partnership with the Government of India.

The conference was graced by the honorary presence of Chief Guest Venkaiah Naidu – Vice President of India, Sameer Sharma – Film Director and Babul Supriya – Member of the Lok Sabha. This distinguished array of guests contributed to the success of the event with their distinctive perspectives and experiences. The purpose of this conference was to promote and encourage smarter urban development that could help improve the lives of people.

The key agenda of the event was the channelization discussions and have the eminent guests to arrive upon path-breaking and thought provoking ideas and suggestions for urban development.
